

LBGS SERIES LBGS32

32AMP

stackable distribution boards

Australian designed, owned and built, the SUMO Jumbo is a market leading stackable ACS Distribution Board, available in a 32amp or 63amp configuration. Stacking 12 to a pallet, SUMO Jumbo's innovative design reduced freight and storage costs by up to 80% when compared to similar products on the market and are fully compliant to AS61439.4 and AS3120. SUMO Jumbo is the safest and smartest way to transport electricity around your site, cascadable via daisy chain technology and powered by a 32amp or 63amp CEE Form appliance inlet.

stackable,
connected, safe &
compact
